EXPERIENCE

Senior Accountant Jun 2022 – Present

Halcyon Manufacturing Group — Toronto, ON (\$180M revenue, 3 entities)

- Reduced month-end close from 9 business days to 5 by automating 14 recurring journal entries and rebuilding the reconciliation pack
- Led the NetSuite implementation across 3 legal entities, delivered on schedule and 8% under budget
- Own the consolidation and intercompany eliminations for a 3-entity group reporting under IFRS
- Prepare the quarterly audit deliverables; two consecutive clean audits with zero material adjustments
- Manage two staff accountants, including review of AP, AR and balance-sheet reconciliations

Staff Accountant Aug 2019 – May 2022

Meridian Cloud Systems — Toronto, ON (SaaS)

- Handled revenue recognition under IFRS 15 for subscription contracts across roughly 400 active customers
- Performed monthly bank, AR and deferred-revenue reconciliations averaging \$12M in balances
- Built the deferred revenue waterfall model still used by FP&A for forecasting
- Supported the annual audit as the primary contact for revenue testing samples

Accounting Associate Sep 2018 – Jul 2019

Baxter & Lowe LLP — Mississauga, ON

- Prepared compilation and review engagements for 30+ owner-managed clients under ASPE
- Completed corporate T2 and personal T1 filings through a full tax season

EDUCATION

Bachelor of Commerce, Accounting — Distinction 2014 – 2018

University of Toronto — Rotman Commerce

- CPA prerequisite path completed
- Dean's List 2017, 2018
